

## **East Allington Primary School Uniform Guidance**

At East Allington Primary School we expect children to dress in an appropriate manner for school and for the activities that they are undertaking in the curriculum. A shared uniform brings about a sense of belonging and pride. We very much appreciate your continued support by ensuring that all children adhere to the school uniform policy. Please note that any uniform adjustments for SEND pupils should be discussed with the SENDCo in the first instance. Please email the office to arrange a meeting or a phone call.

### **The recognised East Allington School uniform is detailed below:**

Grey/black trousers/skirt/pinafore

Red or blue jumper/cardigan/hoodie with school logo

Plain black shoes/ankle boots

As part of physical activity, children may be required to take part in activities such as skipping and running in their school shoes. School shoes do therefore need to be fit for this purpose.

### **In warmer weather from April to September (inclusive) children can also choose to wear the following:**

blue stripe or check dresses.

Grey/black trouser shorts.

Children should not wear make-up (including nail polish) or items of jewellery at school. The exception to this rule is where a child has had their ears pierced and they need to wear a "sleeper". In such cases these must, for safety reasons, be of a stud type; no rings or other shapes will be allowed.

All long hair should be held/tied back with hair bands and clips etc of an appropriate simple type that are either of natural hair colour or of those colours as depicted in our school uniform.

### **Physical Education**

Once children are required to have a sports kit they will do almost all PE in sports kit and this will need to be in school during every week.

EYFS and KS1 (Year R, 1 and 2):

Children will usually do outside PE (running, skipping, throwing, catching, kicking etc activities) in their normal school clothes and shoes. School shoes should therefore be fit for this purpose.

In the summer term, in the lead up to sports day, children will wear full PE kit and will require appropriate footwear. You will be notified by the class teacher in good time.

For all indoor PE sessions, they will need:

Navy or black shorts

White t-shirts

No footwear required

The Key Stage 2 (Years 3, 4, 5 and 6) sports kit consists of:

Navy or black shorts

White t-shirts

Trainers for all outside PE sessions/bare feet inside

During colder weather, it is acceptable for children to wear extra layers of clothing such as joggers and a sweater for outdoor games. There is no specific colour you need to buy; school colours are encouraged.

If a child represents the school for sport, additional kit may be provided.

### **Outdoor learning**

Old clothing which covers legs and arms

Appropriate footwear for the classroom and playground

A waterproof coat

Wellies, walking boots or old trainers
